Workforce Safety & Insurance
presents Eric Giguere**

Hear this workplace near death story of Eric Giguere and learn why SAFETY is so important to YOU!

Eric is an average guy who had the typical attitude toward safety; "Accidents Happen, But Not To Me". Until the one that nearly took his life. Now Eric's mission in life is to make sure the arrogance he had toward safety doesn't become yours. His message is simple and serious, "*this can happen to you*".

Eric's low-key dynamic speaking ability captivates his audience and proves to be a valuable tool for companies with a need for more safety awareness. His unique circumstances and the ability to relate to those around him drive home the need for safety in the workplace. A work-related accident changed his life, as well as his personal commitment to safety awareness.

Eric will drive home the need for safety awareness with his powerful life changing story!

This event is **FREE**. We encourage businesses to use as a company safety meeting. This event is open to the public and all family members. Please RSVP by contacting Kent if your company will have more than 10 attendees.

For questions contact: Kent Mortenson (701) 227-3130 or Leonard Keller (701) 290-0295.
